

Samui Lawyers

If you need a lawyer in Samui with international expertise and experience but also cost effective and reliable. Look no further than Siam Legal Samui where our branch manager, an Australian lawyer will be able to assist you with our other capable staff on the island of Koh Samui. We are Thailand's largest legal services network and can offer you assistance either online or in person. Speak to one of our consultants online today.

Our law firm specializes in Real Estate transactions (Thailand property purchase, leasehold, condominium, villas, project development & licensing), Immigration (Thai Immigration, Citizenship, Permanent Residence, and Thai Business, Marriage and Retirement Visa applications), Tax and Accounting service, Litigation Services (Civil, Commercial and Criminal) and Investigation Services (Personal and Corporate). Our UK and US Immigration specialists supervise and handle our Visa services. On the other hand, our licensed Thai lawyers and foreign attorneys and solicitors work together to offer sound legal advice and assistance with regard to Corporate & Investment Laws (including Foreign Business Law, Board of Investment & B.O.I., and Treaty of Amity).
